

A gift from me & Hello Love!

2 MONTHS OF PRESS-ON NAILS

Check your mail at the beginning of the month for a Hello Again! gift box from Hello Love!

How it works:

Hello Again! subscription boxes are shipped at the beginning of every month. They always contain a full set of nails (24 nails, glue, cuticle stick, emery board, Nailed It! packaging), a coordinating accent pack (10 nails, 2 sets each of our most common sizes), and a third product that will vary by month. Pre-release styles are always included, so you get to see what's coming to the Hello Love shop before anyone else!
