INCOME DISCLOSURE STATEMENT

Welcome to the Club O Compensation Plan – a dynamic platform designed to reward your dedication in selling our products and services, as well as encouraging the involvement of new participants. We celebrate the potential for success that Club O offers; however, it's important to recognize that earnings can vary significantly. The individual outcomes hinge on each participant's level of commitment, sales proficiency, and strategic efforts.

As Club O is at the beginning stage of its journey, our historical data is too limited to offer concrete income disclosures. You'll find that financial achievements among participants are diverse – some may earn modest amounts, while others may exceed their expectations. It's this variability that underscores the entrepreneurial spirit of Club O.

We are thrilled about the possibilities that Club O can unfold for you, and we believe in the robust framework it provides for those aiming to reach their financial aspirations. Remember, the results are directly influenced by the perseverance, time investment, and leadership you bring to your business.

Please note, any income projections that were shared before your engagement with Club O are illustrative and not definitive of the earnings you may attain. Such figures are hypothetical and should not be seen as promises or exact forecasts of your future income. True success with Club O is cultivated through sustained effort, unwavering commitment, and strong leadership skills

Rank	Personally Enrolled Members	Member Count*	Team Leadership Ranks**
Empire 2,000	3	2,000	3 Nations
Empire 1,000	3	1,000	3 Nations

Circle 25	3	25	3 Qualified Ambassadors
Circle 20	3	20	3 Qualified Ambassadors
Circle	3	3	3 Qualified Ambassadors
Qualified Ambassador	3		

* For the team member count qualification, only up to 40% of the qualifications can be considered from each leg, except in cases where all members are directly enrolled by you.

** Team Leadership Qualification is only required if your member count qualification is achieved with a team and not through personally referred members

3

MEMBER COMMISSION

Earn a rebate or a commission ranging from 10% to 50% of the Commissionable Volume (CV) on all personal purchases and those made within your personal member tree. (Note: This excludes orders made by ambassadors in your referral tree.)

Rank	Commission
AMBASSADOR	10%
CIRCLE	20%
TRIBE	40%
NATION	45%
EMPIRE	50%

(Eligibility to earn in the current monthly period requires qualification at the specified rank in the previous monthly period)

4

SPONSOR COMMISSION

As a Qualified Ambassador, you receive a 5% commission on the Commissionable Volume (CV) from orders made by Ambassadors you directly sponsor (1st level) within your referral tree. This Sponsor Commission does not apply to 1st level Ambassadors who are a qualified Circle or above.

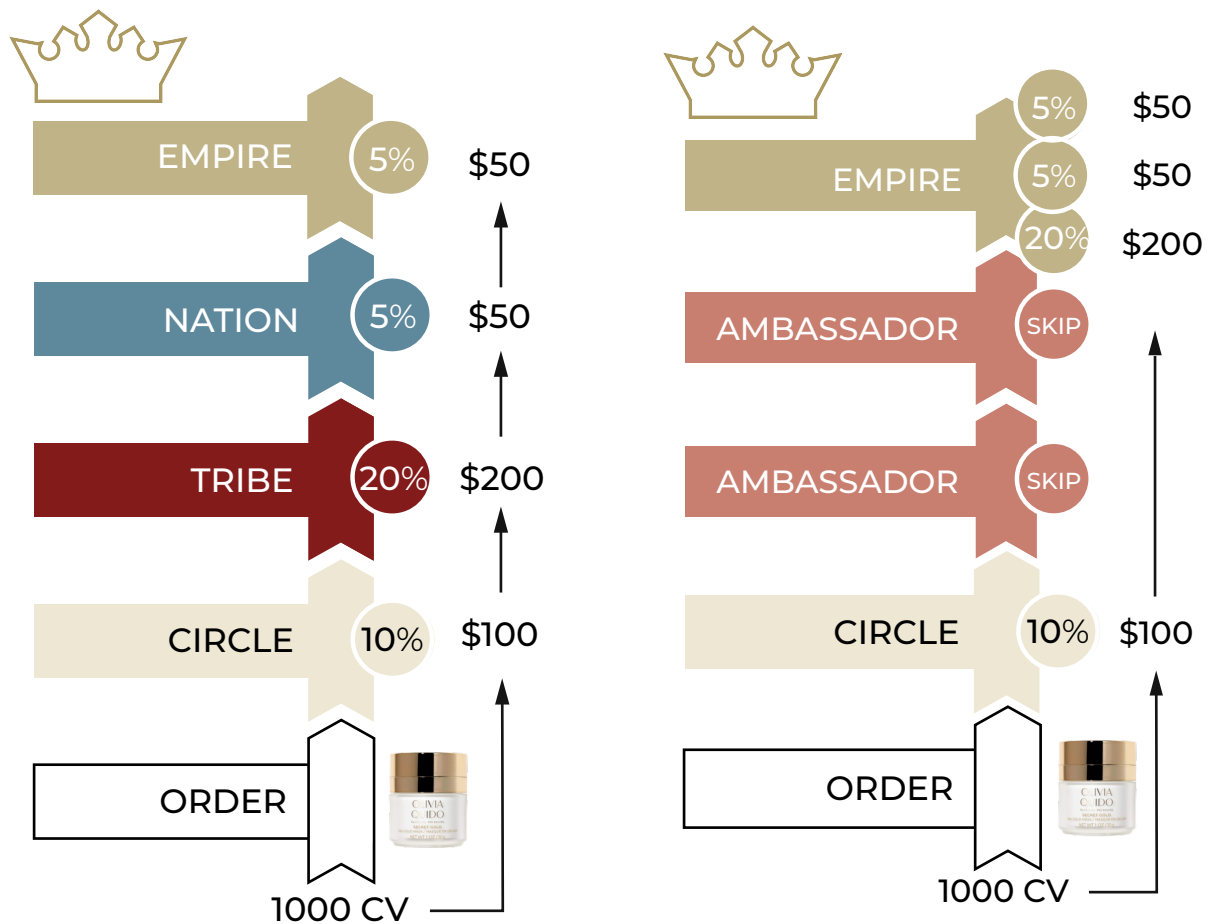

5

TEAM COMMISSION

As your team expands and you grow into a Circle, Tribe, Nation, and ultimately an Empire, your opportunities for earnings increase significantly.

Each order made within your Referral Tree triggers a bonus for the first Ambassador up the Referral Tree who is qualified at that particular Rank tier.

If you are the first qualified member across multiple rank tiers, you will receive all applicable commissions for those tiers.

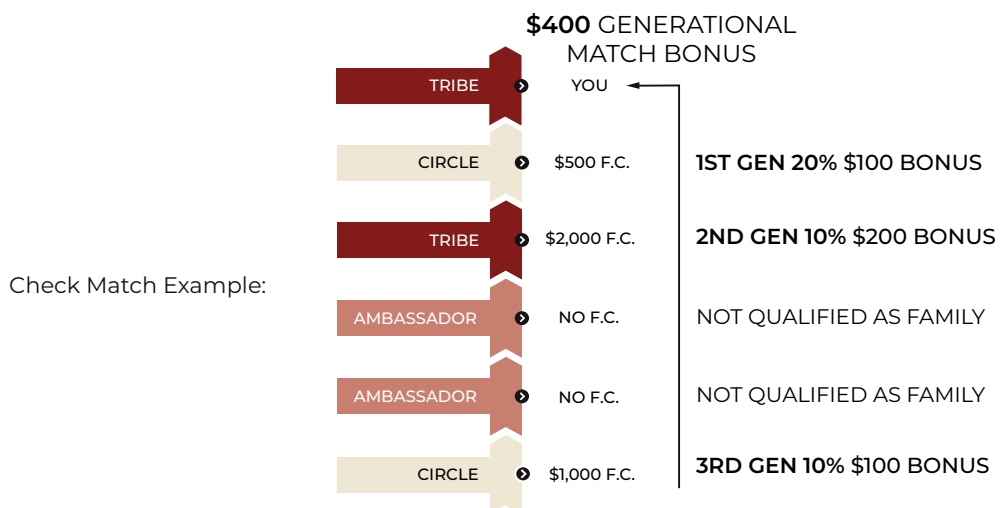

6 LEADERSHIP MATCH BONUS

As you move up in rank, you'll gain access to the leadership match bonus. This bonus gives you a direct percentage match of the team commission earnings from ambassadors at the Qualified Circle level and higher.

In your referral tree, each ambassador at the Qualified Circle level or higher represents a generation. Through dynamic compression, ambassadors who are not at the Qualified Circle level are bypassed, optimizing your potential earnings from the leadership match bonus.

You are eligible to earn a Match Bonus from a rank tier that is one level higher than your own. For example, someone at the Tribe rank can earn a match bonus from a Nation rank, but not from an Empire rank.

Ambassadors can earn a residual bonus check monthly on all monthly membership subscriptions that are placed (either by personal referrals or referrals by other members in the matrix) in their 3x12 Member Pool Matrix.

Each member position in the matrix has 3 available positions that are filled in order of member enrollment from left to right on each individual member position.

All Club O members, encompassing both Members and Ambassador Members, who maintain an active* membership subscription, preserve their placement within our 3x12 Member Pool Matrix.

Member Pool Matrix Commission is paid as a % of the subscription volume (SV) from each successfully processed Club O Subscription payment beginning on the 2nd successfully processed subscription payment. The enrollment subscription order is not considered in this calculation

During the founders' period, this pool will be compressed monthly of inactive subscriptions to ensure maximum payout potential to our founders.

Earnings SPLIT: Bonus and Giving:

Each Rank Tier will earn a bonus % of the Total revenue generated by the Matrix for that respective Rank. The Remaining earnings will be allocated to the Give Life Initiative and given to charity on behalf of the Ambassador. At tribe and above the position Ambassador will determine the allocation of the giving proceeds.

*An Active membership consists of a processed subscription every 30 days. If a member fails to meet this requirement they will have a grace period of 60 days to correct this before the account is closed

THE 55% PAYOUT RULE: The 55% payout rule is billed as vital to the 'long-term health and continued growth of Club O'. If the sales volume or residual commissions generated exceeds 55% of monthly sales revenue, individual paychecks across the company are shaved back by an equal percentage to bring the payout balance to within 55%.

THE CLUB O ANNUAL ✨ AMBASSADOR RETREAT

All Club O members are invited to attend our annual Club O Ambassador Retreat. This event is a celebration of our Top Performers, featuring recognition events, advanced training, and personal time with Miss O for our ambassadors. These retreats take place in stunning exotic locations around the world.

Accommodations at the Club O Retreat are fully covered for our newly appointed Nation Ambassadors who qualify for 3 consecutive months.

Empire Ambassadors who meet the qualifications for three consecutive months will enjoy an all-inclusive experience for two. This includes dining, lodging, various activities, and a flight voucher.

COMMISSION

Commissions are earned and disbursed according to a monthly/weekly schedule.

The weekly period spans from Friday at 6:00 PM PST to the following Friday at 5:59:59 PM PST. Any orders received before the pay period deadline will be processed for payment on the subsequent Friday, and deposited in your e-wallet.

Position qualifications are achieved on a monthly basis and must be met by the final period of the month. Once qualified, commissions will be paid at the achieved rank for the following month. It's important to note that all weeks beginning within a month are considered part of that respective month.

April							
Su	Mo	Tu	We	Th	Fr	Sa	
	1	2	3	4	5	6	WEEK 1
7	8	9	10	11	12	13	WEEK 2

21	22	23	24	25	26	27	WEEK 4
28	29	30					WEEK 5

The February monthly cycle will count weeks 1 through 4. This will generate the Rank the Ambassador will earn Member Tree Matrix in the Month of May.

May							
Su	Mo	Tu	We	Th	Fr	Sa	
			1	2	3	4	WEEK 5
5	6	7	8	9	10	11	WEEK 6
