Since VIP Global Stars has recently launched, it lacks enough statistical data to prepare reliable income disclosures. There will be certain participants who will earn less while others will earn much more. We're excited about the VIP Global Stars Compensation Plan and we're confident it will provide you a solid foundation to help you achieve your financial goals. As with all endeavors, hard work and the time you dedicate impact outcomes. If income projections were presented to you prior to your enrollment, such projections are not necessarily representative of the income, if any, that you can earn through your participation in the Compensation Plan. These income projections should not be considered as guarantees or projections of your actual earnings or profits. Success with VIP Global Stars results only from hard work, dedication, and leadership.
